Fault Description:

Terms and Conditions:

Warranty Calls: I understand that any repair or adjustment not covered under the manufacturers standard warranty conditions may lead to a charge being raised for labour, parts, consumables or all three. For example incorrect installation, miss operation or poor maintenance leading to a fault are likely to be chargeable.

Note: If purchased as a 'Parts only warranty' the labour element of any service call will be chargeable.

Service calls: I have been made aware of callout and labour rates and that the cost of any parts required will be discussed with me by the attending engineer before fitting.
